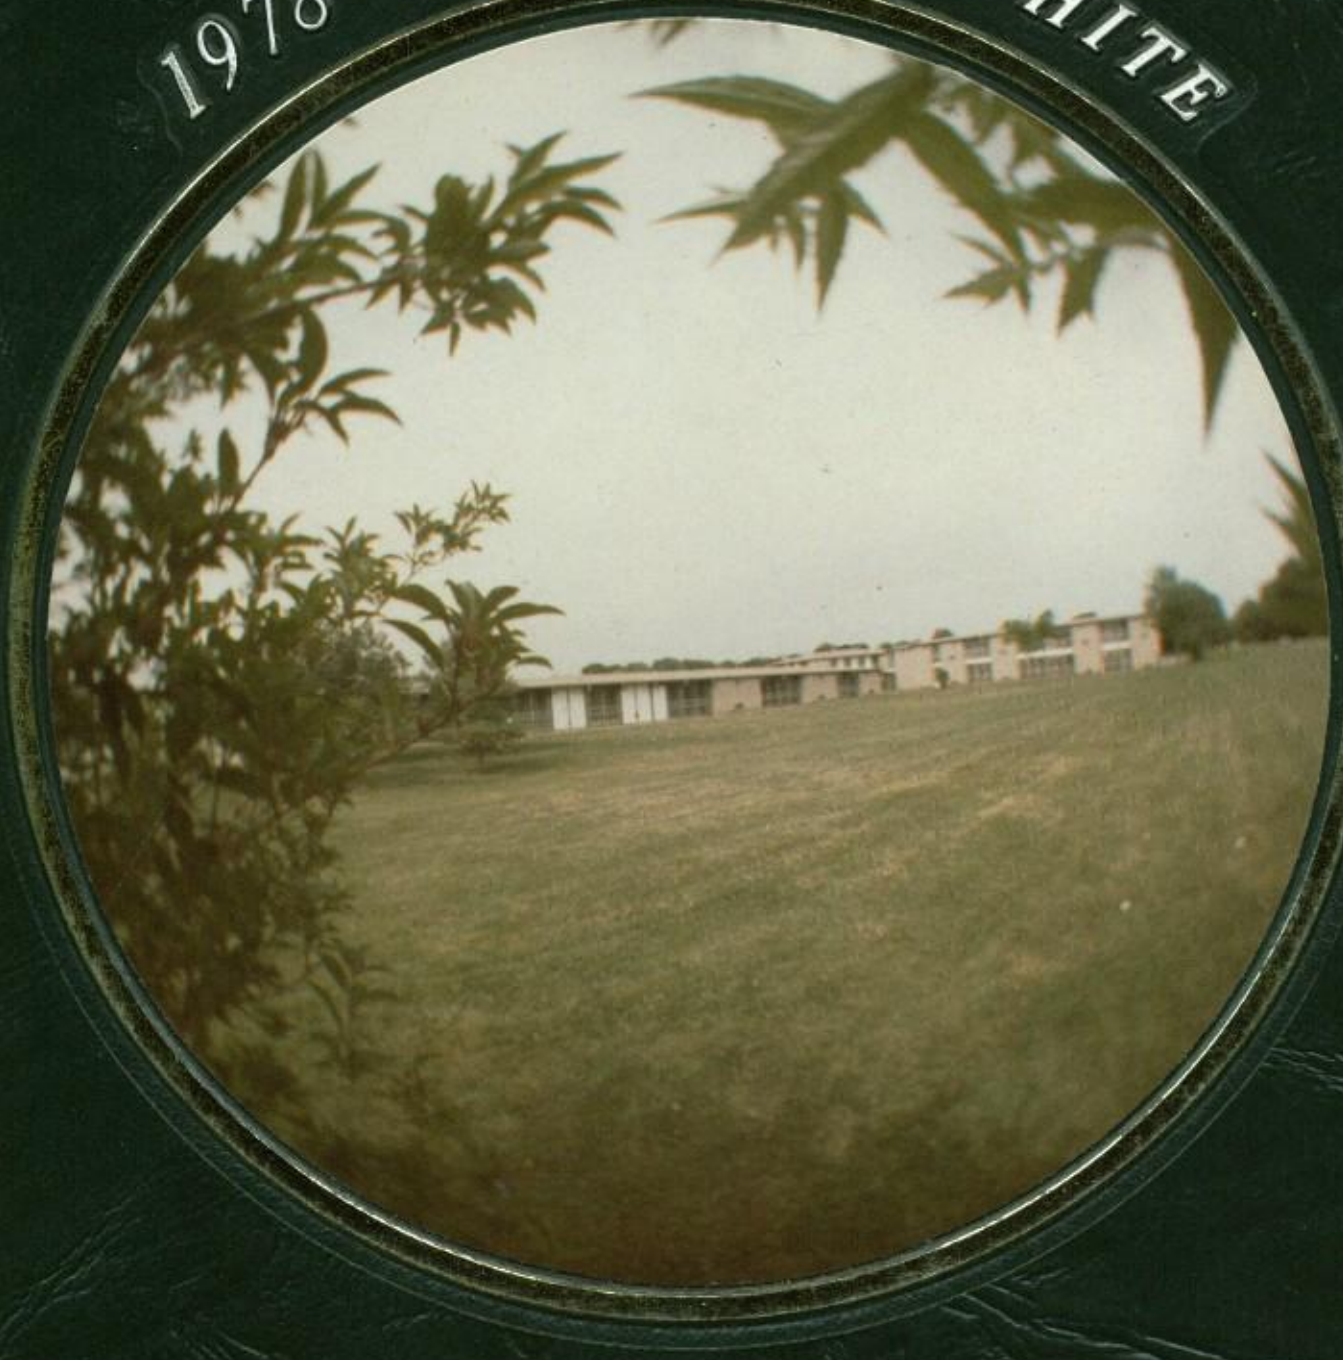
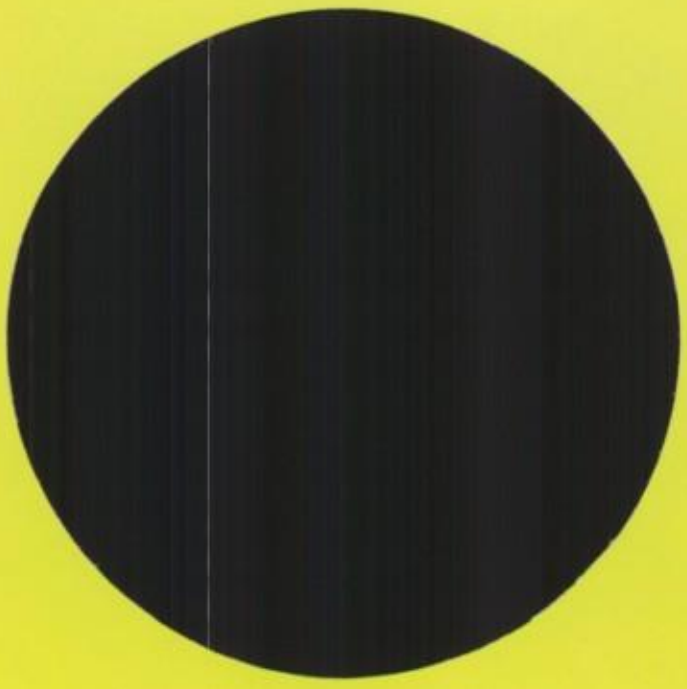
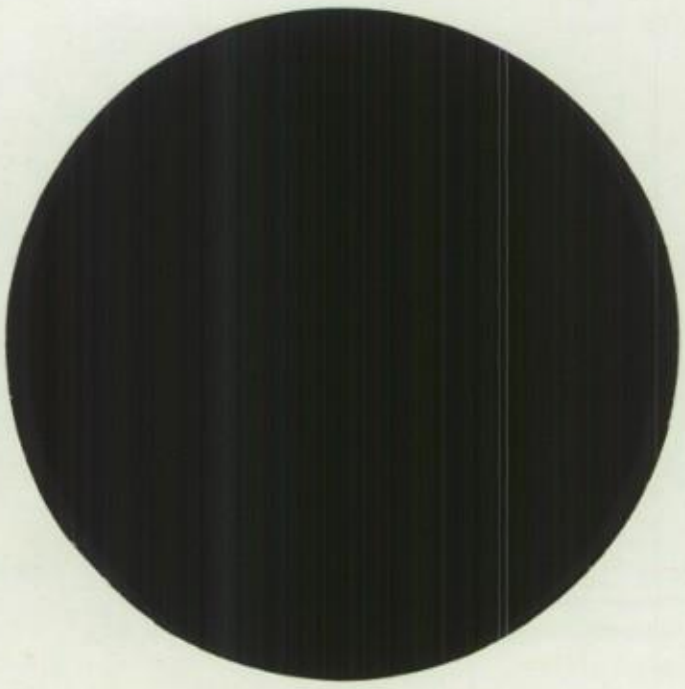
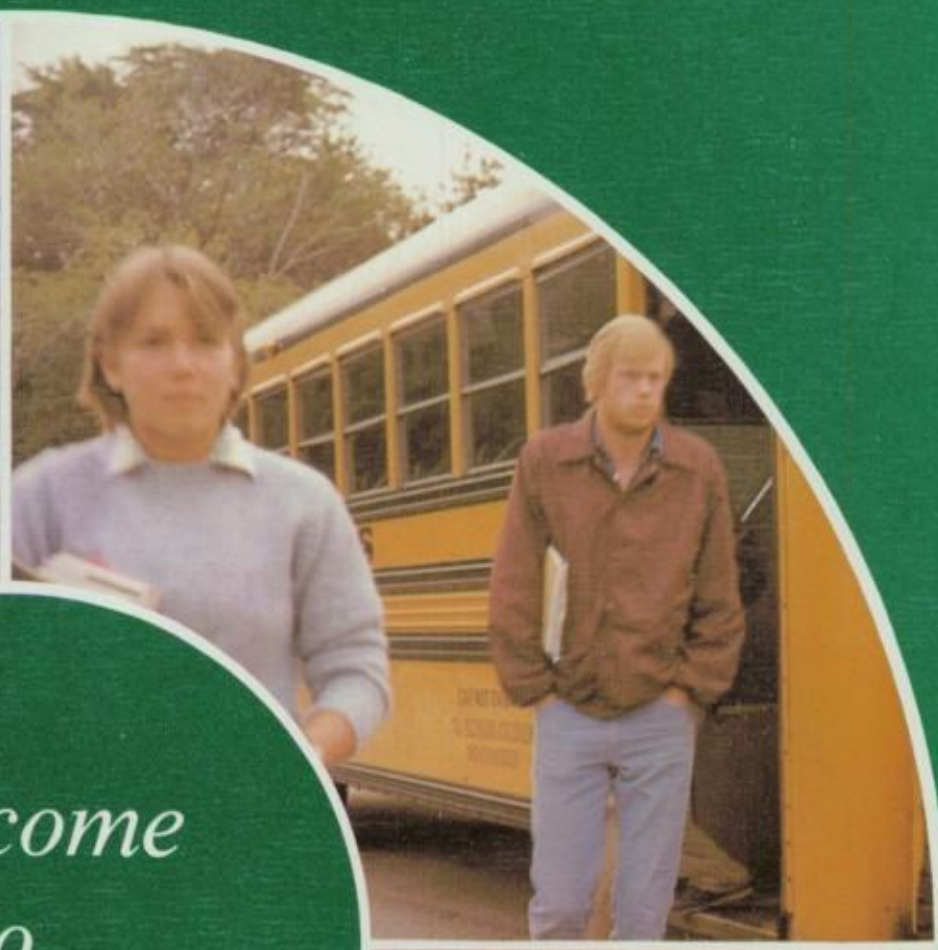
1978 GREEN AND WHITE



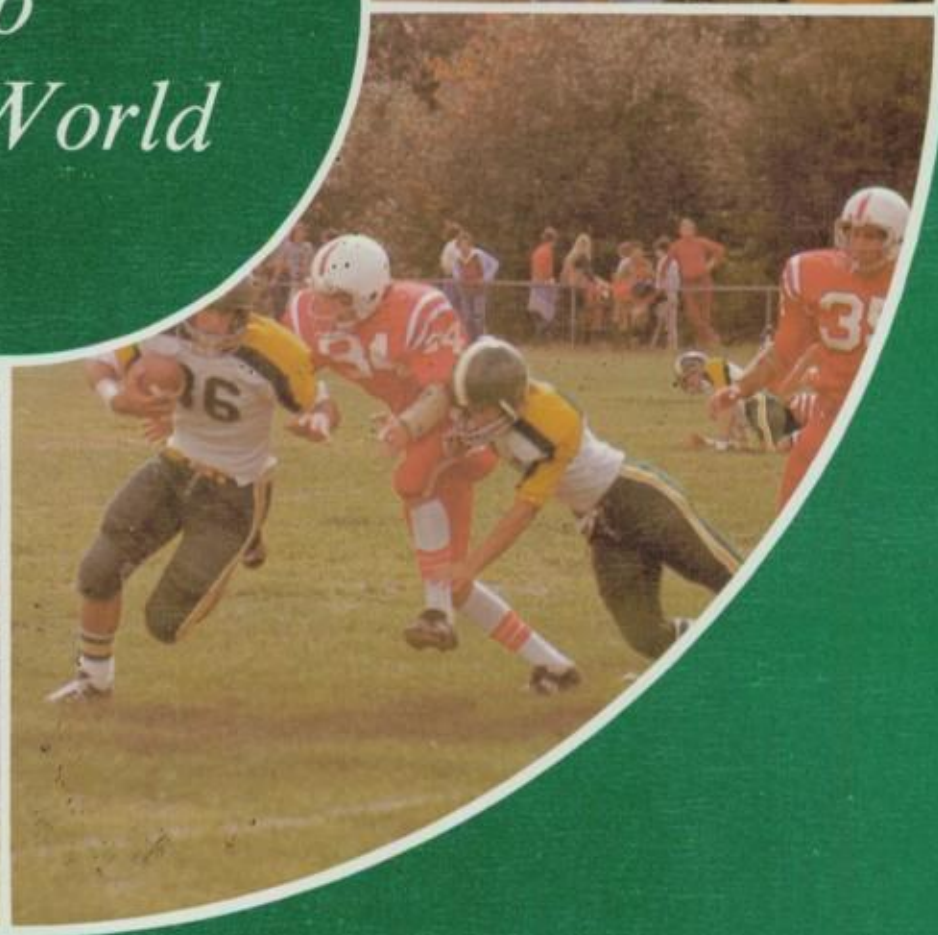
MICHAEL PROTO

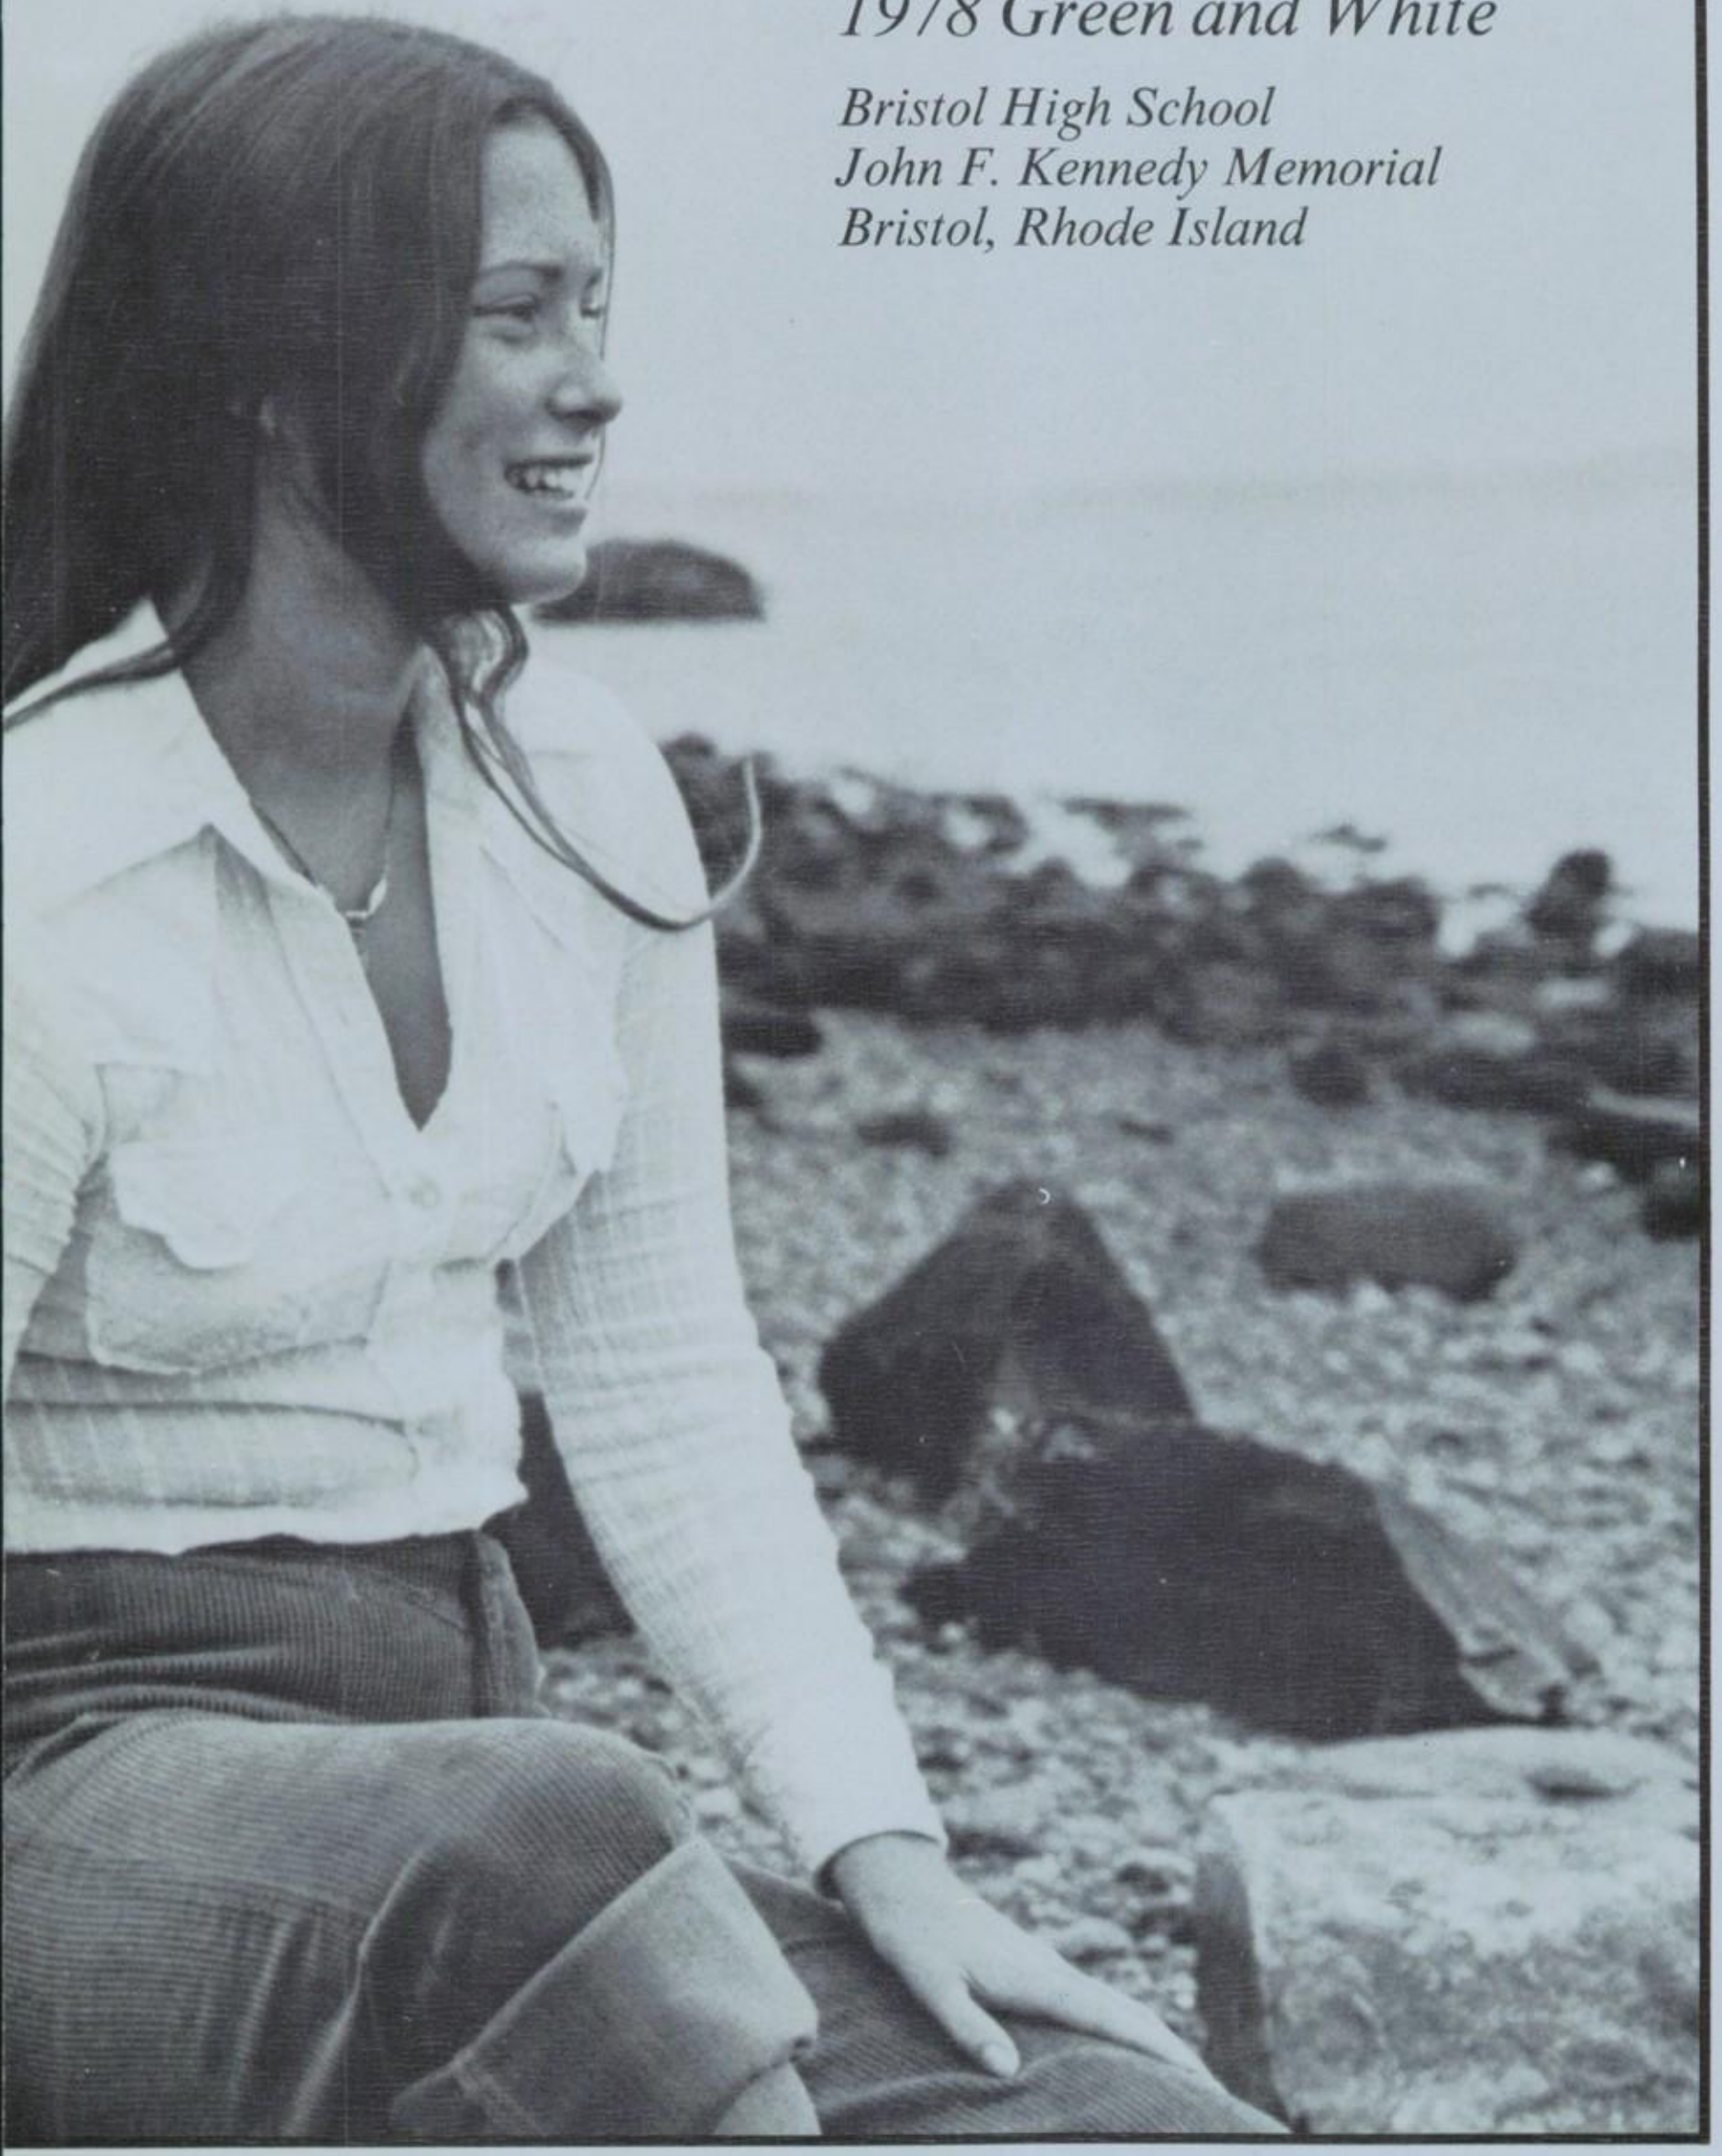






Welcome to Our World





1978 Green and White

Bristol High School
John F. Kennedy Memorial
Bristol, Rhode Island

Dedication

During our few years at Bristol High School, a great part of our development and success has been due to the interest of the Bristol High School faculty. One member of the faculty in particular is brought to mind when the word "interested" is used. She has devoted all her time to the process of teaching and continues her efforts in after-school activities.

To the members of our class, she was advisor and companion — ready to express her ideas, eager to help in our activities, and a real spirit rouser when it came to financial campaigns.

We, the Class of 1978, proudly and with deepest appreciation, dedicate our yearbook and our fondest memories to Mrs. Marianne Douglas.

IN MEMORY OF

Dr. Edward P. Travers
Superintendent of Bristol Schools

The town of Bristol, its teachers and most significantly its students suffered a tremendous loss. We find it harder to continue now without him. But, no matter how difficult the struggles may seem we must weather them bravely, as he himself had done so often. Not only did Dr. Travers lend his time and effort toward a better school system, he lent his heart as well.

Dr. Edward P. Travers

Mrs. Mary Zappula

It is difficult to express sorrow at the loss of one who has enlightened us so greatly. This is especially the case with Mrs. Mary Zappula. Not only was she a treasured member of the faculty, she was also a friend. For those of us who were her pupils we perhaps know her better than anyone else. She was always willing to help as both a teacher and friend. While the faculty has lost a fine teacher, the students have lost both her talents as an educator and her willingness to help. It is with great fondness and lasting memory that we will remember Mrs. Mary Zappula.

ASSISTANT SUPERINTENDENT

The administration, teachers and staff of the Bristol Public Schools have made every attempt to afford you the best educational opportunities possible within financial capabilities during your tenure in this school system. We hope that our efforts have prepared you well for whatever your plans for the future.

Best wishes for health, happiness and success.

Ennis J. Bisbano
Assistant Superintendent

PRINCIPAL

To the Class of 1978

The challenges of life now confront each of you. May the experiences you have encountered throughout your years of education provide you with the key to living most and serving best. My personal congratulations to each of you and may I also thank you for your cooperation and the kindnesses which you extended our total school staff.

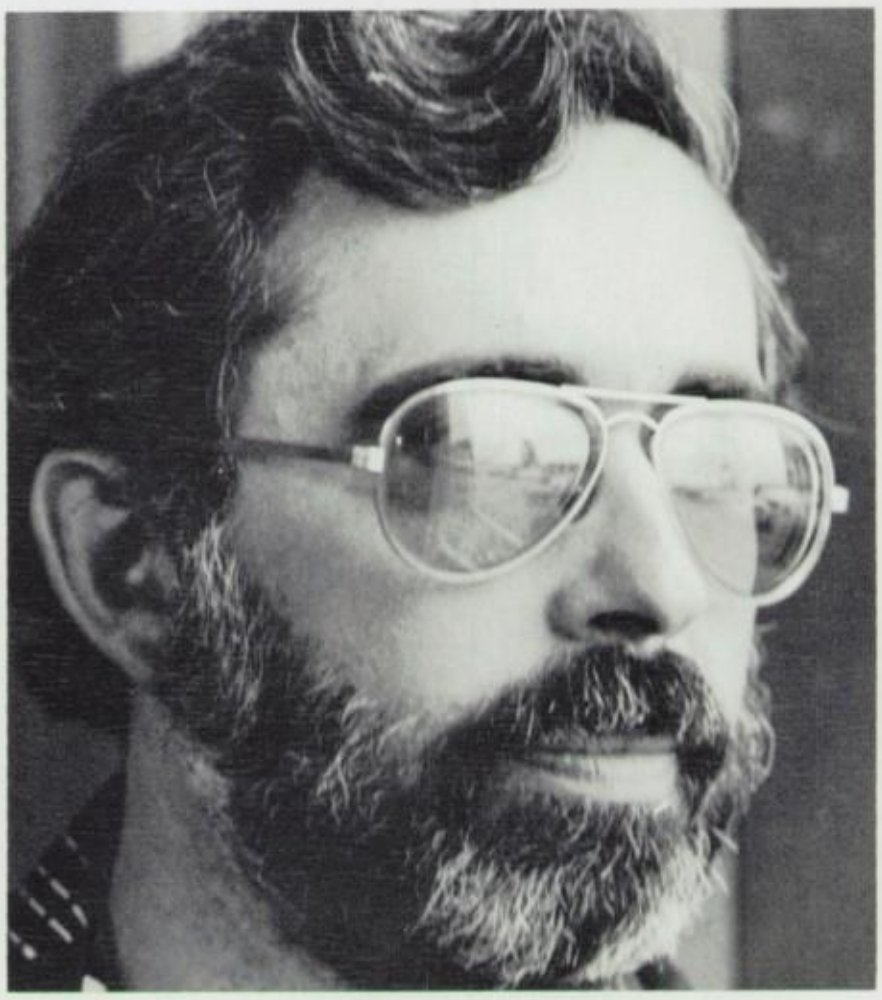
Anthony P. Iasiello
Principal

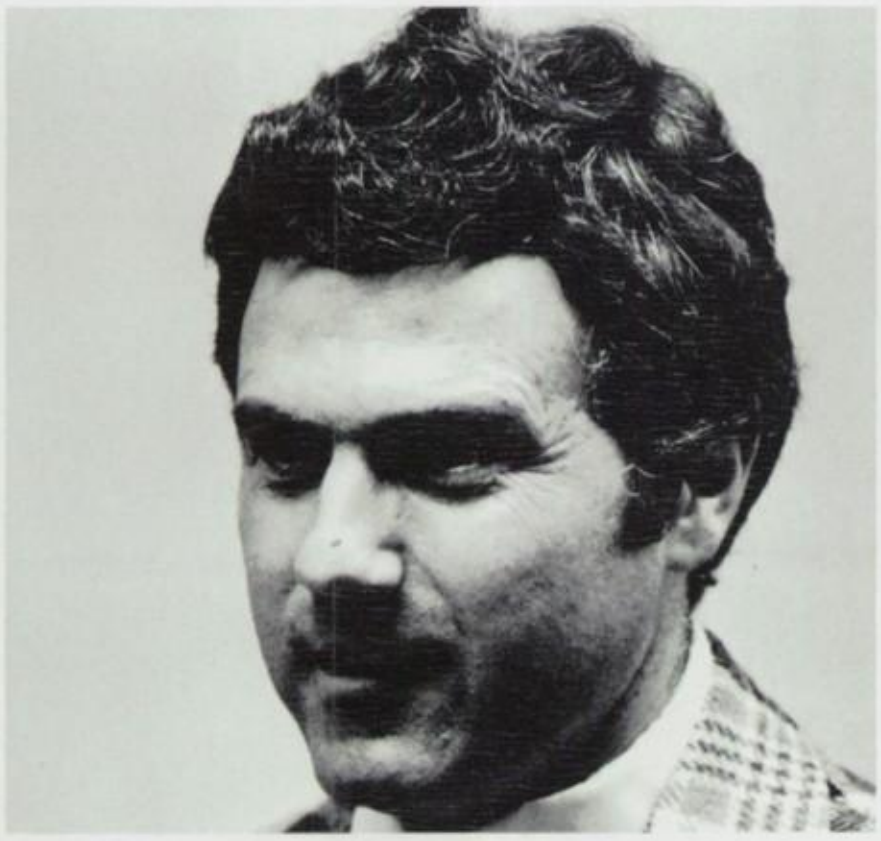
To the Class of 1978

As you leave Bristol High School and pursue your objectives in life I sincerly hope that you have learned to persevere and that, as a result of this, you will accomplish your goals.

Please accept my best wishes for your continued success and future happines.

Ilidio Contente
Assistant Principal





There are people who think responsibility is hard to bear. Perhaps it is the absence of responsibility which is harder to bear.

During the past five years at Bristol High School, you have been given, and handled quite well, a multitude of responsibilities.

It is my hope that you will continue to meet challenges in the future as responsible citizens of our society.

CLASS HISTORY

We entered as children, bewildered and excited. Eagerly anticipating the joys and defeats of these last few years.

As Eighth graders, we joined in the fun of float building, pep rallies, and then our own very special eighth grade dance. We all look at our officers President, Lori Donahue, Vice President, Sandra Matrone, Secretary, Lisa DiSano, Treasurer, Cindy Principe, and we realize how much we've grown.

When we were Freshmen we were even more of a class. This time we were led by Paula Langello as President, Gina Lero as Vice President, Bethany Jacobs as Secretary, and Lois Lake as Treasurer. This time after the usual activities we had our first semi-formal, The Freshman Frolic.

As Sophomores we elected as President, Paula Langello, as Vice President, Dora Votaw, as Secretary, Lisa DiSano, and as Treasurer, Lois Lake. They soon directed our class in the building of the Homecoming float. But this time our efforts were highly successful we were awarded first prize for our "Super Colt" float.

Next came Juniors, this time the end was in sight. With President Paula Langello, Vice President, Eileen Mederos, Secretary, Debbie Drew, and Treasurer, Lois Lake we embarked on the journey toward Graduation.

This time along with the Junior-Senior Christmas Dance the class play, and the Junior Prom we also took our yearbook formals. On June 17 we sadly watched old friends of the Class of 1977 leave Bristol High School. And in those moments we realized all too suddenly that we were next.

Then finally, Seniors. The year we had waited for. Along with our President, Paula Langello, Vice President, Eileen Medros, Secretary, Debbie Drew, and Treasurer, Lois Lake we shared our last nine months together as the Class of 1978 of Bristol High School. As Seniors we rejoiced in the last football games, pep rallies, and special activities, like the Christmas Dance and the Senior Prom. Hopefully these last few months were ones of happy remembrances.

For the young, bewildered children that entered will leave wiser, more prepared, and warmed by the memories of these last few years.

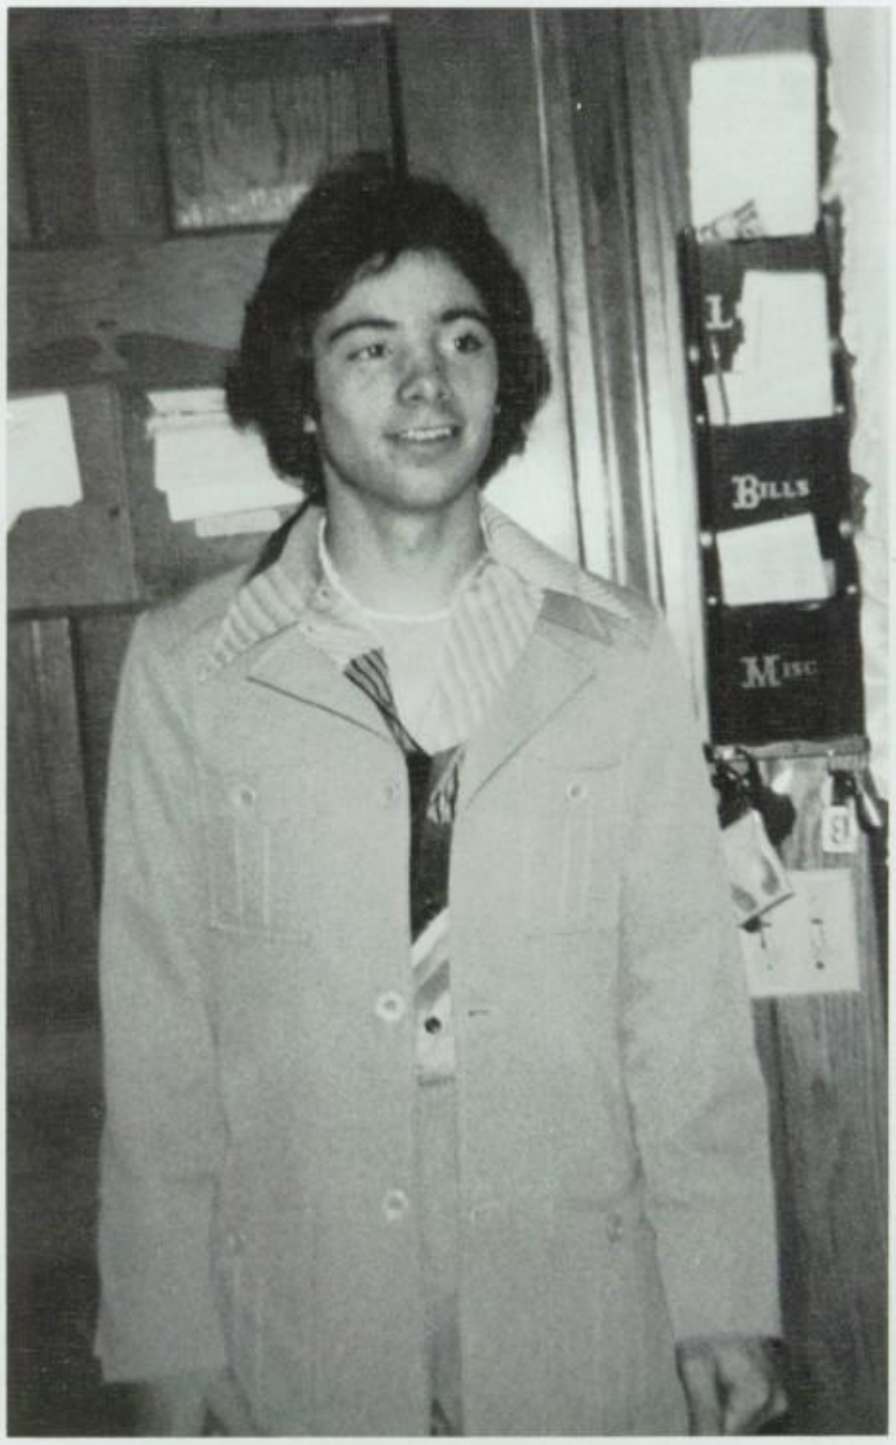
IN MEMORY OF



Robert Steven Ferreira

Bobby, it seems that only yesterday we were talking and laughing together. For some of us who knew you for a long time, we knew that you never limited your friendship for others. Those who knew you for a short time felt that they had your friendship forever. Sometimes we don't know how great a friendship really is until it's gone away. Time will go on and we'll get older but the memories of you will stay young in our hearts forever.

ACKNOWLEDGEMENTS

The Staff of the 1978 Green and White would like to extend our thanks to the well-deserving people who have made this yearbook possible.

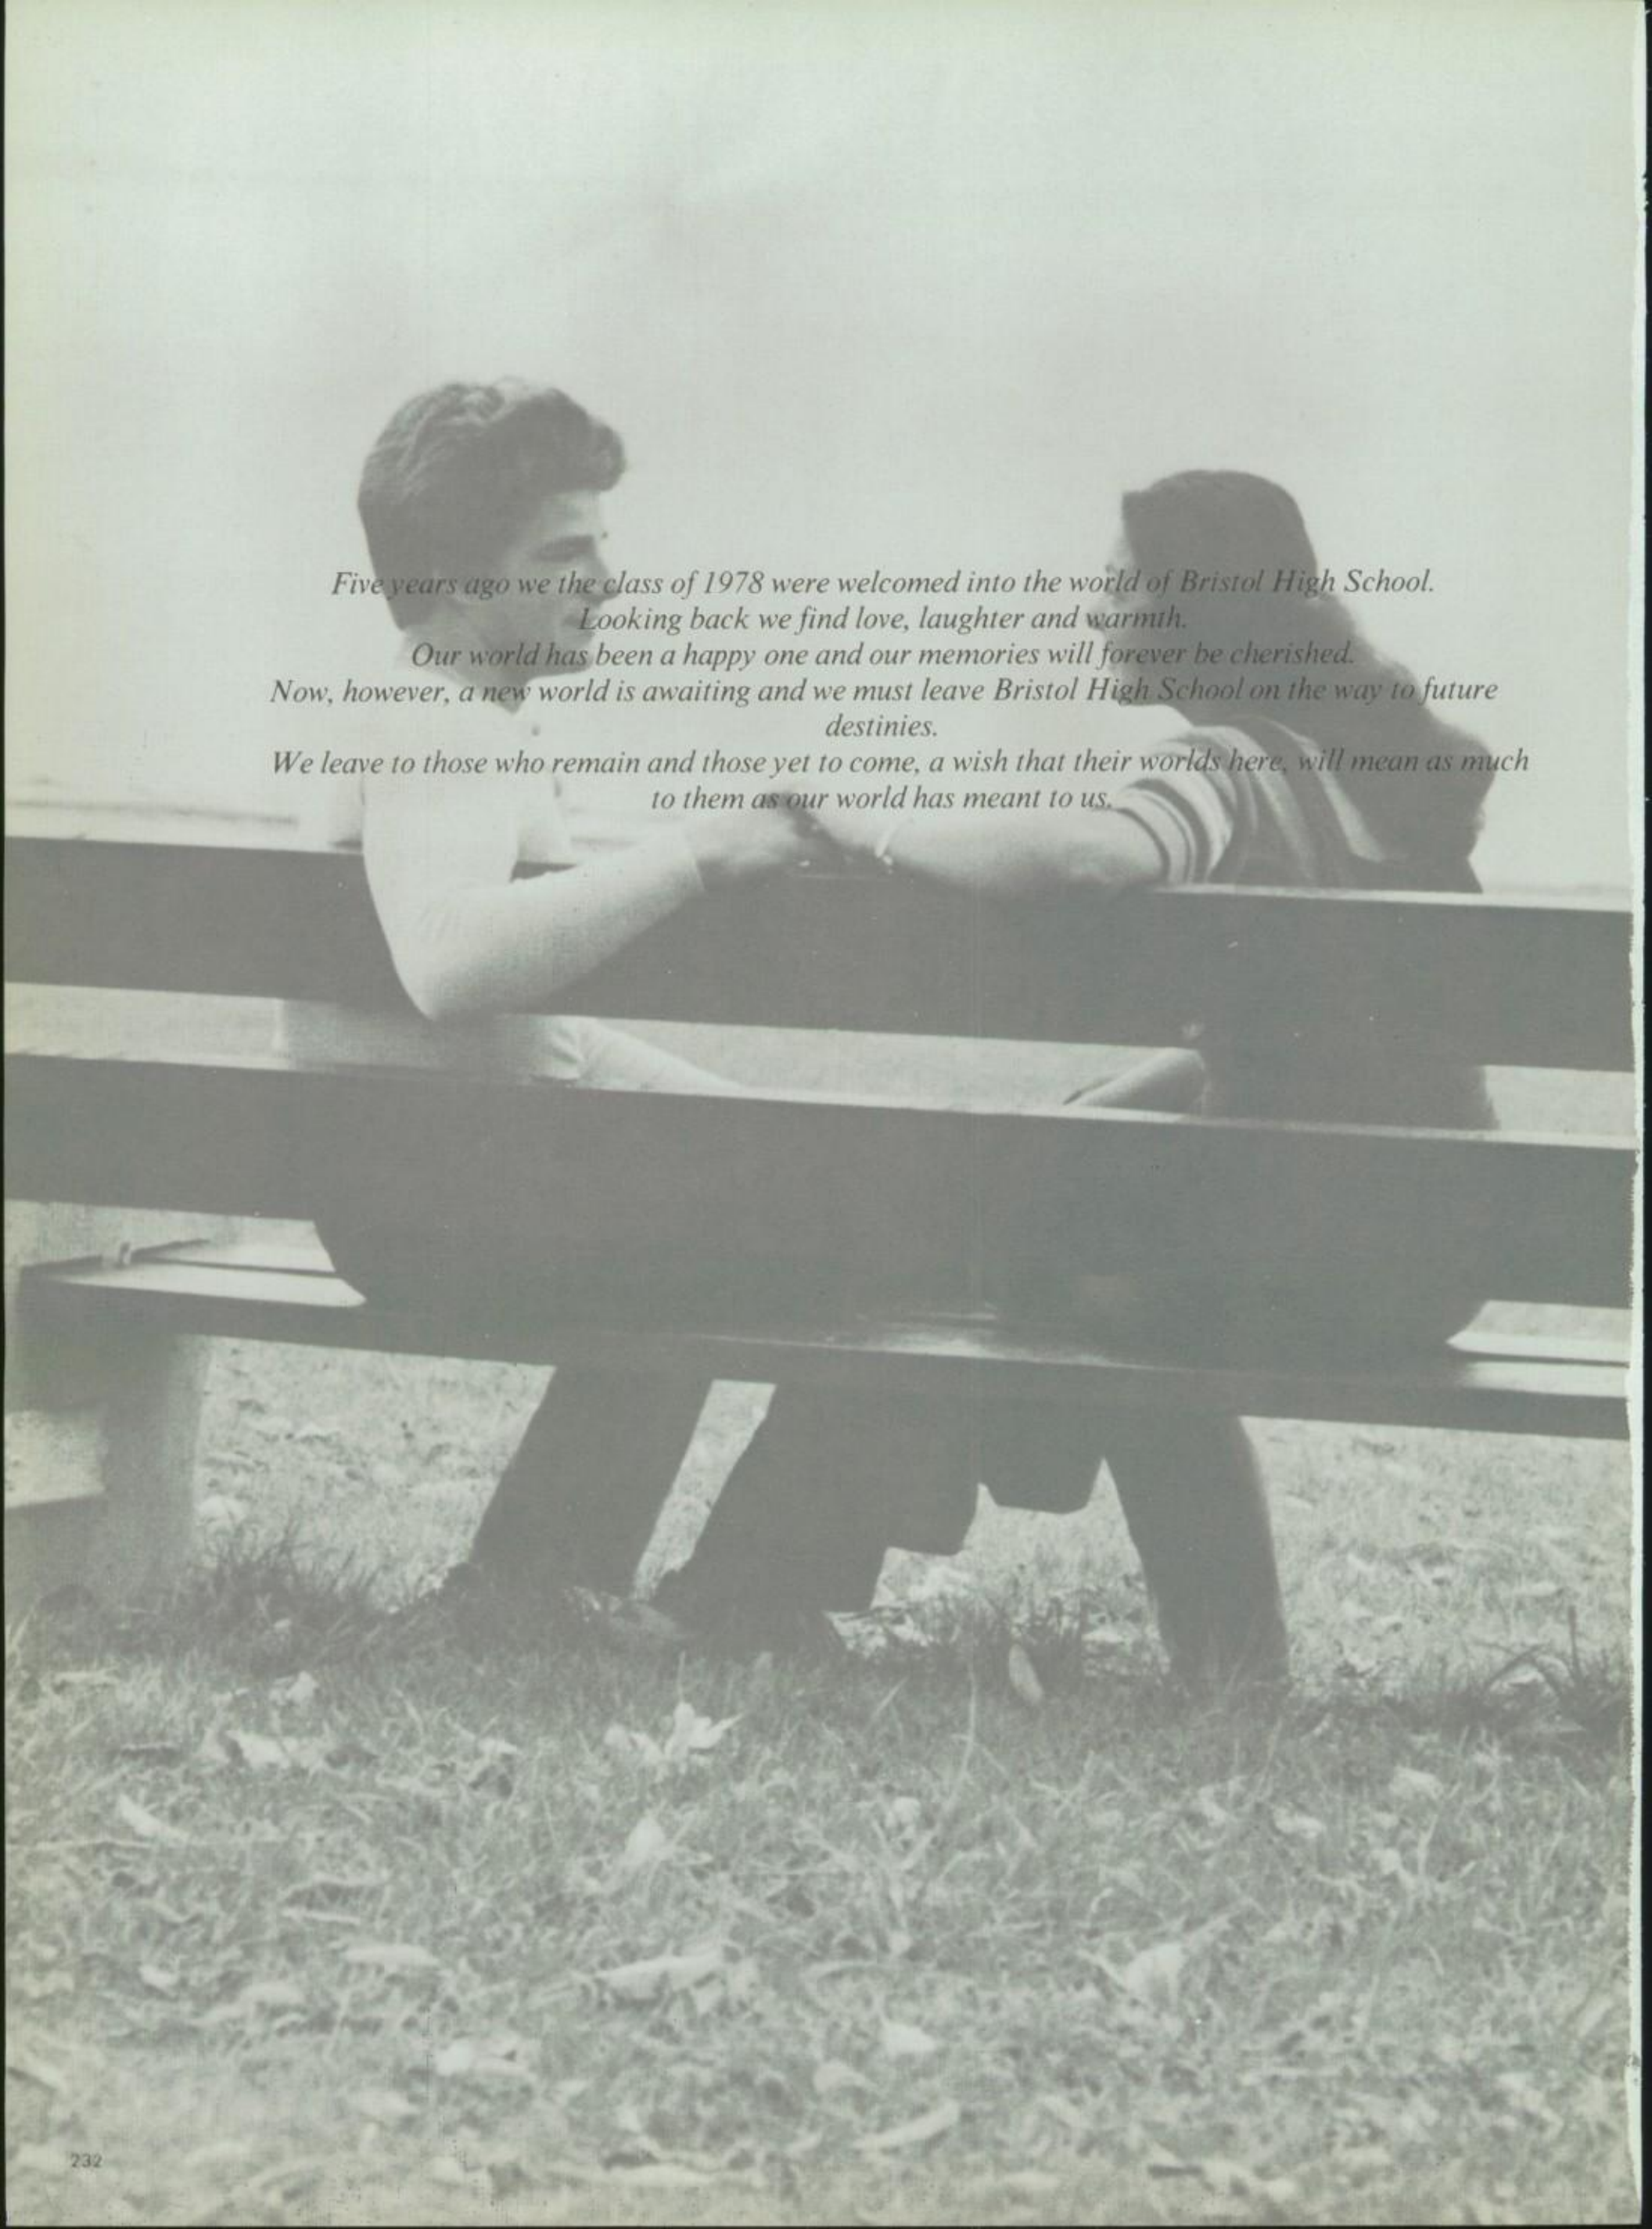
Mr. Domenic Raiola; our advisor; without whom we could not have accomplished anything. He has done more than the job of advisor and we thank him.

The people of the Front Office have been more than helpful and we single out Mr. Iasiello, Mr. Matrone and the secretaries for help beyond the call of duty. Mr. Santo, who has been eternally patient with our changing plans and deadlines, deserves our thanks.

For pictures we thank Brian Fraser. And Mrs. Meiggs has been wonderful, especially when we have barged into Mr. Raiola's office and have found her extremely helpful.

Last, but definitely not least, we wish to thank Mr. and Mrs. Jacobs for the use of their house and for putting up with the demands of a staff who is always eating and always in their house. Thank you.

TITLE IX: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."



Five years ago we the class of 1978 were welcomed into the world of Bristol High School.
Looking back we find love, laughter and warmth.
Our world has been a happy one and our memories will forever be cherished.
Now, however, a new world is awaiting and we must leave Bristol High School on the way to future destinies.
We leave to those who remain and those yet to come, a wish that their worlds here, will mean as much to them as our world has meant to us.
